EDGE INFORMATION MANAGEMENT PROMOTES NEW CLIENT SERVICES MANAGER

MELBOURNE, FL—November 17, 2017 Edge Information Management has promoted Janice Hudson to Manager of Client Services. Hudson has been with the company since August 2016 as Executive Assistant.

Hudson has a Finance degree from Florida Atlantic University. Prior to joining the Edge team, she worked in the Credit Union industry for seven years, including at Tropical Financial Credit Union in various capacities including member services, loan officer and Branch Manager.

“Hudson’s attention to detail and the new procedures she brought to her previous position showed that she would be a great fit to lead our Client Services team,” notes Edge President Joe Langford. “Our customer service team is important to making our firm stand above others offering employee screening.”

Already, Hudson has added to the Client Services team, promoting one current Edge employee. “I expect we’ll see many improvements for our clients with Hudson at the helm,” says Langford.

About Edge Information Management

Edge Information Management, Inc., established in 1991, is a privately held national provider of employment screening services dedicated to furnishing employers with accurate background screening, drug testing and electronic i9/e-Verify services at cost-effective rates. Edge delivers services to each client via the Internet through its proprietary software WebScreen™, portal or integration with a variety of industry leading ATS Systems. Delivering “big business ability with small business agility” is a distinguishing differentiator that is most appreciated by Edge’s clients. The NAPBS Accreditation exemplifies Edge's dedicated focus on delivering accurate information quickly and in compliance within hiring federal and state regulations.
